Dear Sir or Madam

Help us to support people around the world, and here at home, through an emergency, disaster or trauma. We have decades of experience in caring for people affected by earthquakes, cyclones, floods, storms, fire, drought and other emergencies.

Your donation has an immediate impact for the people we help:

- train staff, aid workers and volunteers to be ready to respond as soon as a disaster strikes in Australia and overseas
- teach and support communities in disaster-prone regions to better prepare for disasters
- help affected communities to recover from emergencies - in outback towns, metropolitan cities or small Pacific islands whether you hear about it in the news or not
- train and send specialist aid workers to assist local Red Cross volunteers and staff in countries affected by major disasters
- maintain stocks of critical disaster response equipment including water filtration, shelter, hygiene and cooking kits for use in emergencies.

Thank you again, your generous donation makes it all possible.

Judy Slatyer
Chief Executive Officer
